## **Check before you visit**

It is very frustrating when you travel all the way to visit someone, only to find they have been transferred (moved) to another gaol.

It is also difficult when you know someone has been sentenced, but are not sure where they are. You may feel angry and upset.

## *What you can do*

Give Sentence Administration a call. This is the section of the Department of Corrective Services that can help you locate an inmate.

Sentence Administration: (02) 8346 1310

## *Information you need*

You need to know the MIN and/or date of birth of the person you are trying to locate. If you don't know their MIN you need their full name. It also helps if you are a member of their immediate family.

## *Any questions?*

If you have any questions about a transfer, ring the Inmate Placement Office:

**PH (02) 8346 1153**

After hours (7 days to 10pm)

**PH (02) 9289 5258**

## *If you need help*

If you need help with these phone calls, ring CRC: (02) 9288 8700 We can help you get in contact with the right office.

## *About to visit?*

It is a good idea to check that your family member is still in the gaol before you visit. To check, ring the gaol directly. You can also use this call to check what you can take with you, or if you need to book the visit.

For information on the location of prisons and how to get there phone CRC: (02) 9288 8700.
