

Pathways Home Program

**Do you or a loved one
need help on the outside?**

Are you aged 24 years and under?
Reside in or returning to the Greater Sydney
Metropolitan area*?
Have alcohol or drug concerns?

The Pathways Home Program can help
you while you're inside and also when you
are released back into the community.

If you want to know more,
please ask a SAPO, parole
officer, juvenile justice worker,
family member, lawyer, court
support officer, Elder or
someone you trust to organise
a meeting with someone from
The Pathways Home Program.

You can also self-refer to the
program by calling CRC
directly, and asking to speak to
a Pathways Home staff
member.
